Globalisation in Medicine – Challenges and Opportunities

Münster/Germany 28–31 July 2010

(credit points have been applied for)

Local Organizing committee: Dr. Regine Rapp-Engels (Chair)
Prof. Dr. Dr. Bettina Pfeleiderer
Dr. Hedwig Wening

German Medical Women's Association

Welcome to the 28th International Congress of the Medical Women's International Association.

*We wish you a wonderful
time in our city which has
been awarded the title of
"World's Most Liveable City"
(LivCom Award 2004,
category:
250,000 to 700,000
inhabitants).*

Münster and Germany are an excellent congress location for several reasons:

- Germany is quite a safe country with well working infrastructure for travelling (pre or post congress tours provided e.g. to Berlin, München, Heidelberg...)
- Münster is situated in the middle of Europe, easy to reach from neighbour countries, and with an own international airport (www.fmo.de) and excellent train connections (3 hours from Frankfurt, 1,5 hours from Düsseldorf)
- Münster is well equipped with meeting and hotel facilities (70 hotels of all categories)
- The Westfalian University of Münster is pleased to support the conference and will provide logistic and scientific support
- Münster is a charming historic picturesque and also green city

which has been awarded the title of "World's Most Liveable City" in 2004 (LivCom Award 2004, category: 250,000 to 700,000 inhabitants)

- All regional groups from German Medical Women's Association will support the conference to make your stay here in Münster exciting and unforgettable
- The conference will provide a good possibility for medical doctors and medical students to meet, hear, discuss, learn and work together with other international colleagues

It will be a great honour for us to welcoming you in Germany/ Münster!

Kind regards

Dr. Regine Rapp-Engels
President of the German Medical Women's Association
