Central European Regional Congress MWIA

“The Actual Topics on Women Health” –

June 29-30; 2012, Batumi, Georgia

Dear colleagues,

We cordially invite you to participate in Central European Regional Congress-CERC MWIA “The Actual Topics on Women Health” – held on June 29-30 2012 in Batumi, the beautiful city of Georgia. The congress is organized and hosted by the **Georgian Medical Women's Association**.

Many interesting MWIA scientific meetings took place during the last years. We hope to continue very important discussion on the actual topics on women health, taking into account the differences in European countries.

You are invited to participate in oral and poster presentations concerning all actual problems of women health in several countries.

The Congress venue will be Sheraton Batumi.

Early pre-congress registration is highly recommended. The number of participants is limited and only those registered can attend.

We look forward to welcoming you to Georgia, Batumi for an interdisciplinary dialogue on modern aspects of Women Health.

Most talks will be presented in English, however simultaneous translation of all talks from English to Georgian, English to Russian or Georgian to English, Russian to English will be provided.

Please open Registration Form and send it for Congress Registration to e-mail: mwiabatumi@gmail.com

Information on Batumi Congress you can also see on site: www.gmwa.org.ge

We promise you the unforgettable days in our beautiful country and interesting talks about our common problems.

Welcome to Georgia

Sincerely,

On Behalf of GMWA members

Nino Zhvania, Ph.D., MD
